FAQ (Frequently Asked Questions)

Q. What is Nature Bliss?

A. Nature Bliss is a **114+ acre Resort & Sandalwood DTCP-Approved Project** by **USM Infra**. It features a modern resort building and a fully secured, fenced layout designed for long-term value.

Q. Where it is located?

A. It is located near **Chintapally**, close to **Nagarjuna Sagar Highway**.

Q. How will I get benefit from sandalwood plantation?

A. We plant and maintain sandalwood on your plot for **15 years** at no cost. After harvest, profits are shared between you and the company.

Q. How much income do I get from sandalwood plantation?

A. Each sandalwood plant can yield **up to 25 kg**. With the current market price ranging from **₹15,000 to ₹22,000 per kg**, this offers strong wealth appreciation and long-term investment growth.

Q. How will you secure sandalwood trees from theft?

A. Each sandalwood tree is embedded with a **GPS-enabled chip**. If tampered with or moved, an instant alert is sent to the on-site security team to ensure quick action.

Q. What if some sandalwood trees die or don't grow properly?

A. The plantation is scientifically managed by experts from **IWST (a Central Government institute)**. Mortality is very low. After 15 years, harvest is done collectively, and profits are shared based on plot size—not individual tree count.

Q. Is EMI available?

A. Yes, **EMI options are available** to make your investment even more convenient.

Q. Can I visit any time to Nature Bliss?

A. Yes. You can visit anytime using your **USM Infra Digital One Membership Card**.

Q. What Is the USM Infra One Membership Card?

A. After plot purchase, you receive a digital **one membership card** that gives you access to all USM Infra Resorts.

Q. What indoor/outdoor activities are planned at Nature Bliss?

A. we plan a wide range of fun activities including:

Outdoor: 🏊 swimming Pool, 🏌️ Mini Golf, 🧗 Adventure Games, 🏐 Volleyball, 🏏 Cricket Nets, 🏀 Basketball, 🚴 Cycling, 🧒 Kids' Play Area and more.

Indoor: 🎮 Pool, 🏓 Table Tennis, 🏒 Air Hockey, and more.

Q. What type of Drip Irrigation system is used?

A. For this project **new Drip Irrigation technology from Israel called Fertigation system** is used. It automates complete drip and fertilization process for the even growth of plants. We have built 6 lakh ltrs water tank to support this system.

Q. Can I sell the plot?

A. Yes, you can sell the plot but the buyer has to abide by same terms you had agreed.

Q. Is this long term investment?

A. Yes, your investments will be appreciated over years. you can use sandalwood harvesting income for your children education or marriage.

Q. How It Works?

A. Simple and transparent :

✅ You Buy a Plot

🌱 We Plant Sandalwood Trees

🔧 We Maintain the Plantation for 15 Years

🏡 You Enjoy Resort Access & Outdoor Activities

🌳 We Share Sandalwood Profits at Harvest

🏠 You Can Build a Home on Your Plot in the Future

Q. Will the value of my plot increase over time?

A. Yes! With the growing demand for open plots and the development of the **Proposed Regional Ring Road (RRR)**, your plot's value is expected to appreciate significantly over time.
